

Support Our Troops charity golf tournament

The Support Our Troops golf committee would like to invite all Robson Ranch residents, friends and neighbors to play in the third annual Support Our Troops charity golf tournament on Friday, June 4 at the Robson Ranch golf course. Soldiers from Fort Hood will be returning for a second year to participate in the tournament and be honored by Robson residents for their service to our country. SOT members will be hosting the soldiers and their families in their homes during the tournament weekend. If you plan to play in the tournament and would like to play with a soldier, please write in that request on the tournament entry form. One hundred percent of all money raised, outside of tournament expenses, will go to the troops. If you are interested in supporting the mission of Support Our Troops and do not play golf, we are offering the following alternatives: 1) you may promote your business, honor a loved one or show your support for any military member (active duty, retired or deceased) by purchasing a tee sign. If the sign is for someone who is currently serving or has served in the military we request that you submit the member's name, rank and branch of service. These tee signs will be posted on various holes the day of the tournament. Basic black and white signs will go for a donation of \$45 per sign; simple tri-color signs will go for a donation of \$60; and color plus a logo will cost you \$75. Because custom signs are labor intensive we ask that you transmit your request for a sign to one of the tournament chairmen two weeks prior to the tournament (May 21);

2) as always you may also make cash or check donations to support the mission of SOT.

For Robson residents and other interested parties the tournament entry fees this year are as follows: \$90 for any Robson resident who has an annual golf pass and plans on driving their own personal cart in the tournament; \$125 for all other participants.
