**Support Our Troops, Inc. is a proactive, non-profit, non-political, volunteer 501(c)(3) charitable organization that helps provide for the material, physical and emotional needs of our military personnel at home and abroad. We mail monthly "care packages" to our troops overseas, often responding to special requests from those serving in remote desert sites and other hostile environments. We give gift cards to active duty personnel at Christmas and send birthday cards and written communications to our troops on a regular basis.*
