Support Our Troops, Inc. is a 501(c)(3) charitable organization • Robson Ranch of Denton, Texas

“We often take for granted the very things that most deserve our gratitude.”

January 1, 2026

Dear Donors and Supporters,

Fact: 100% of all funds raised by SOT go directly to our service members and military organizations. We're hoping you can be a part of our efforts as we approach one of our major fundraising events of the year: The Support Our Troops Charity Golf Tournament!

On April 24, 2026, we will be hosting our Charity Golf Tournament in an effort to serve more active duty military AND give greater support to our veterans' charities in 2027.

Fulfilling the SOT mission would not be possible without the generous and ongoing support of the private and business donors we value. We routinely partner with businesses, clubs, churches and individuals to pack and ship over 500 boxes annually to our active duty service members on deployment. In addition to sending those care packages to bases, ships, and outposts throughout the world, we also provide financial support to three carefully selected military charities.

Can we count on your support this year? Attached is our Sponsor Sign Up Form with more information about the tournament and sponsorship levels. As a 501(c)(3) charitable organization, all gifts are tax deductible. (SOT EIN is 20-8107750)

Acknowledgement of your donation will be clearly displayed at the tournament AND listed on our website with a link to your business (if applicable) which will remain for a year until the next tournament takes place.

We'd love for you to visit our website www.supportourtroopstexas.com to see the many services we provide to our troops and to learn more about the veterans' charities we support. Please contact me if you desire more information about Support Our Troops, Inc. and our mission.

With Appreciation,

BILL ROBERSON

**Deployment is
tough.
Help us send some
happiness in boxes
to those who
serve us so far
from home.**

"Thank you so much
for helping us feel
a little closer
to home."
