

What We Do

Primary Focus

DEPLOYED TROOP SHIPMENTS

Goods are packed and mailed to active duty military members stationed abroad. Five teams shop, pack, mail and coordinate with community partners.

CARDS AND GIFTS

We regularly send hand-crafted cards (generously donated by the Robson Ranch Sassy Stampers) to ALL our active-duty military members regardless of location. To show our gratitude, each service member also receives a birthday card and special gifts for various holidays.

SILENT AUCTION

Held in conjunction with the Robson Ranch Veterans Day Program, the silent auction is one of our two major fundraising events of the year. The Clubhouse hallways are lined with wonderful donations allowing us to consistently bring in approximately \$40,000 annually.

FUN FACT: Members have an opportunity to provide several different levels of sponsorships.

SOT programs are funded through our Silent Auction, Golf Tournament, and Home Flag Installations, as well as generous corporate and personal donations.

FUN FACT: 100% of funds raised support our troops! Administrative costs are covered by membership dues.

GOLF TOURNAMENT

Each April since 2008, we host one of our major fundraisers held at the Robson Ranch Wildhorse Course. This fun, modified scramble includes several contest prizes like "longest drive" and "closest to pin" and more! We enjoy inviting active duty service members associated with our Robson Community and are happy to cover their fees and meal costs for a much-deserved respite from military life.

FLAG SALES and INSTALLATION

We promote community patriotism by displaying 180 flags from Robson Ranch Main Gate to the Clubhouse on major holidays. Plus, SOT sells and installs these flags to homeowners according to HOA guidelines. A portion of the cost is tax deductible. (See website for flag information and purchases.)

VETERANS PARK

While our primary focus is supporting active duty service members, we do honor Robson Ranch Veterans from WWII until present by maintaining the Veterans Park near the Robson Ranch Clubhouse. We sell and install commemorative bricks and orchestrate services on Memorial Day, Veterans Day and other appropriate private memorials. (See website for brick information and purchases.)
