

Our History

Support Our Troops (SOT) was founded as a Charter club at the Robson Ranch active-adult living community in Denton, Texas in 2006. Starting with just a few members meeting in living rooms, the club has grown to over 150 members dedicated to supporting our military service men and women at home and abroad.

Our Mission

"Support Our Troops, Inc. is a proactive, non-political, volunteer, charitable organization that helps provide for the material, physical and emotional needs of our military men and women at home and abroad."
